Nikaido Natsuko and Ichinose Haruko

...swap bodies with each other when they kiss.

And when they kiss again, they return to normal.

This is a 4-panel comic about two people like that.

Delicious.

Swap

They can enjoy foods they normally dislike by swapping.

This is tasty ♡

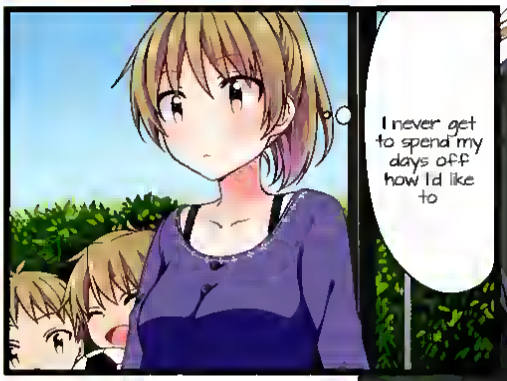
But it's not like it solves any major problems or anything.

They just do it occasionally because it's useful.

## Everyone's Different Day Off

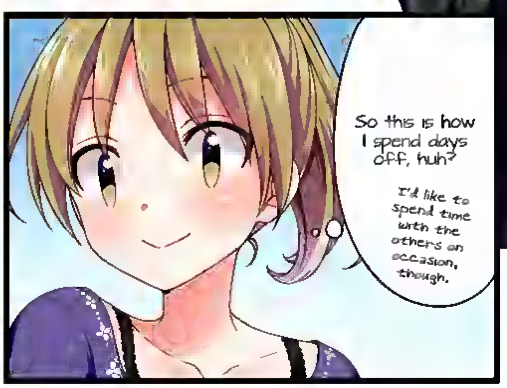
You need to get some exercise, too
I'm about to go to the pool, want to come along?
It is the kind of pool where people actually seriously swim, right?

Onee-chan, let's go to the park
Ehh, we just went yesterday



I never get to spend my days off how I'd like to

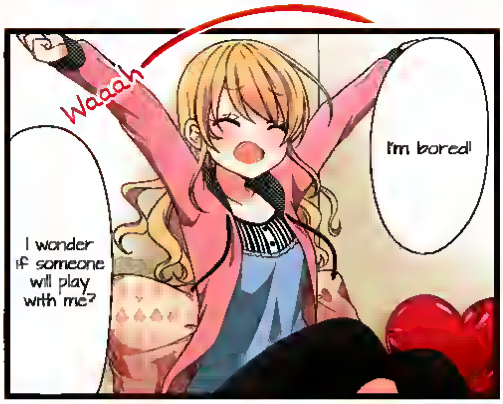
Ploop
Nice kick!
Well I guess it's fun



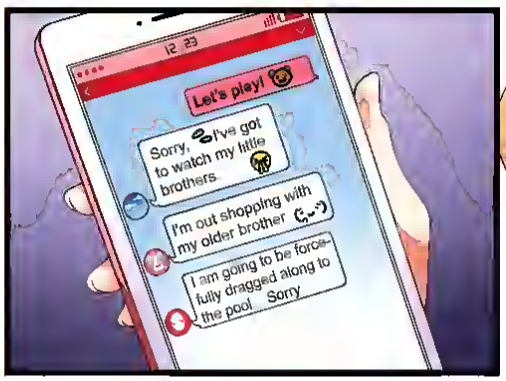
So this is how I spend days off, huh?
I'd like to spend time with the others on occasion, though.

Yusa Satsuki

Touhou Yume
Thanks for coming shopping with me.
It's for Mei, so I don't really mind.
I'm getting hungry, so why don't we grab something to eat on the way home?
Lunch Buffet
Males ¥2500
Females ¥2000
Elementary school and below ¥1000
This place has different prices for boys and girls!
Heavy eater
Light eater
When I'm with you, Yume, it feels unfair even at the same price...



Waaah
I'm bored!
I wonder if someone will play with me?

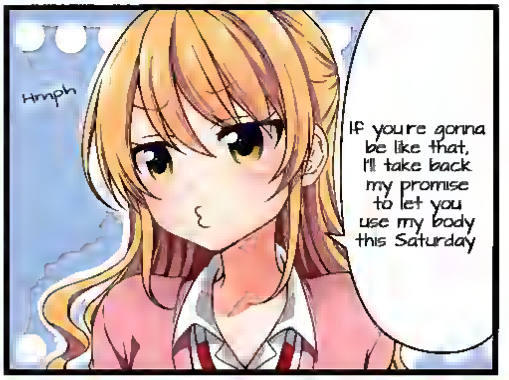


Let's play!
Sorry, I've got to watch my little brothers.
I'm out shopping with my older brother
I am going to be forcefully dragged along to the pool. Sorry.

Waaah
Everyone's got siblings!
I'm so jealous!
I'll make something really nice for dinner tonight!

Hmmm...
While I'm at it, maybe I'll make some sweets to share with everyone tomorrow, too

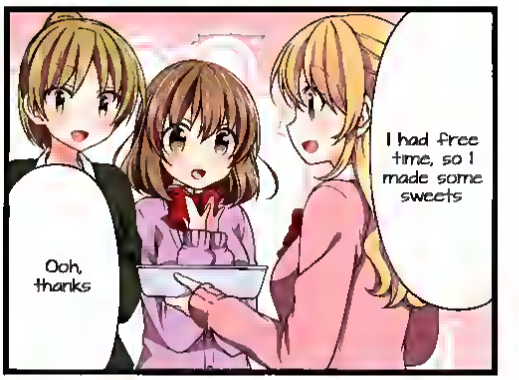
Nikaido Natsuko



Hmph
If you're gonna be like that, I'll take back my promise to let you use my body this Saturday

Good morning.
Sorry about yesterday
It was pretty sudden of me to ask.
It's fine.

Hmph
That would be a problem!
You have plans on Saturday?

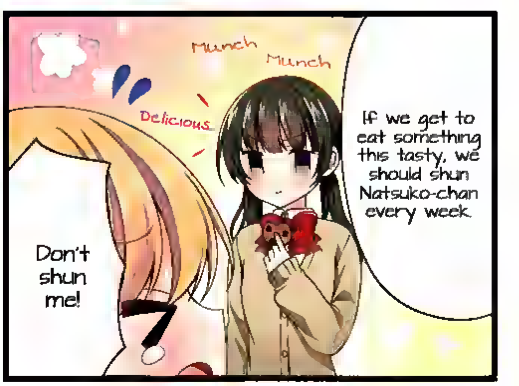


I had free time, so I made some sweets
Ooh, thanks

A gravure idol I like is having a handshake event
It is one time per person, but if we swap, I can go twice!
Is that good?

Such femininity!
Like a character from a shojo manga!
I would just play games as long as I had free time.

All right, already?
Piguyah
And I have already reserved two copies of the photo collection for this!



Munch
Munch
Delicious
If we get to eat something this tasty, we should shun Natsuko-chan every week.
Don't shun me!

Mishima Akiho
Shikata Fuyumi
Hoh-

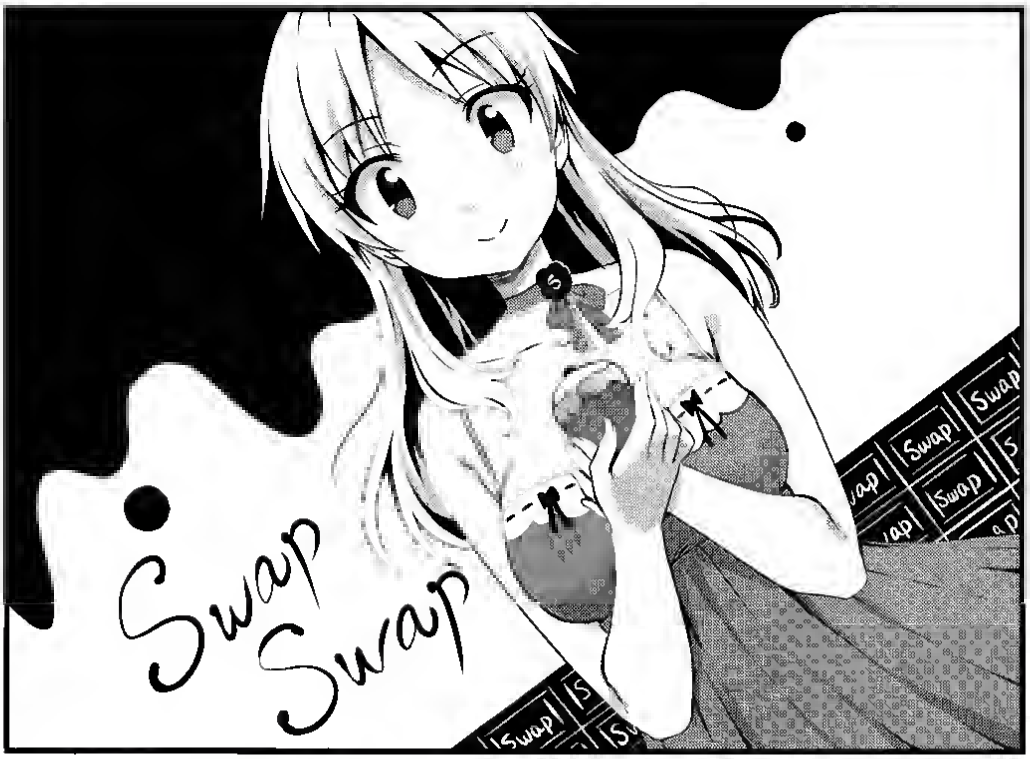
Klatch
Welcome back.
I'm back.
I worked up a good sweat
clatter
clatter
In your body, Fuyumi?
Are you sure?
clatter
I'm right in the middle of a good part, so go take a shower.
All right, I'll be right back.
clatter
I don't really mind you seeing it, Akiho.

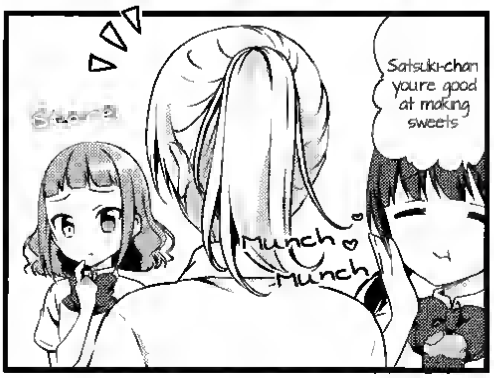


Swap
Swap

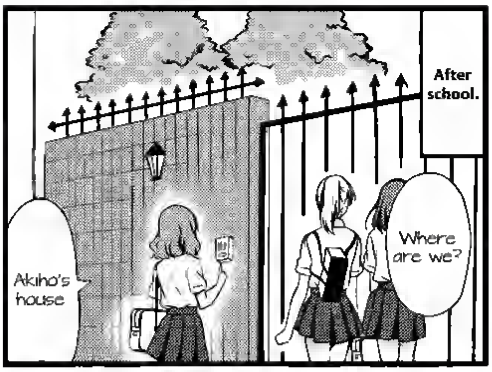
Fuyumi-san, you want one?
No!

I made some sweets you want some?
Leftover from what I made for my brothers.
Ooh!
I would love some!

Shiver
Shiver
My body gains weight really easily..
I really want one...
Shiver



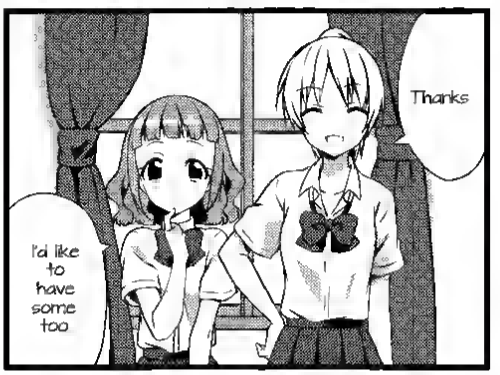
Satsuki-chan youre good at making sweets
Munch
Munch



TL Note: Sekihan is a rice dish made to celebrate really special occasions

Mmm, delicious
Glow

Akiho I'm coming in



Thanks
I'd like to have some too

We're not a bother coming over so suddenly?
Hello
Thank you all for coming over
Not at all
I'm glad you're here

CHU♡
Fuyumi-chan
Okay

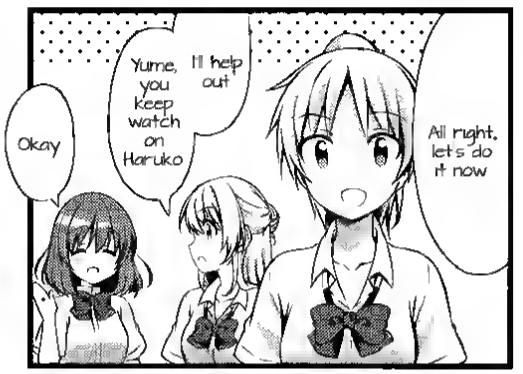
Kiss
Akiho, I want to eat some sweets, so lend me your body
All right

It really is good
They're experts at swapping

They kiss really naturally
Amazing

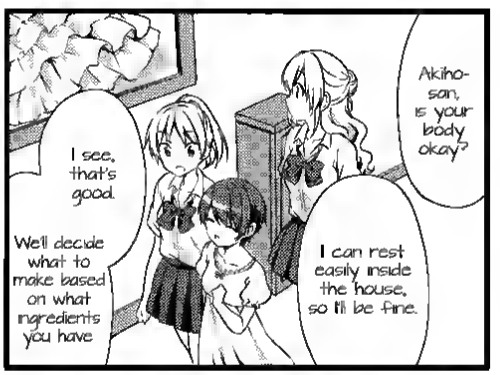
Excited
Excited
Excited
How about we do it right now?
You can use our kitchen.

Did you make this Satsuki-san?
Yeah.



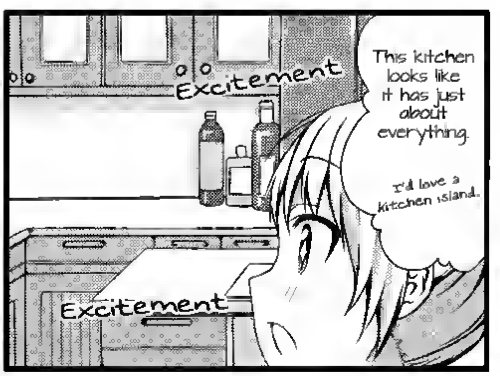
Okay
Yume, you keep watch on Haruko
I'll help out
All right, let's do it now

I know!
Why don't I show you two how to make it sometime?
Piko?



Akiho-san, is your body okay?
I can rest easily inside the house, so I'll be fine.
I see, that's good.
We'll decide what to make based on what ingredients you have

Sparkle
Sparkle
I'd love to!



Excitement
Excitement
This kitchen looks like it has just about everything.
I'd love a kitchen island.

I know the feeling.
Yeah, yeah.
I specialise in eating, so I won't do it

You don't do this kind of thing with Fuyumi-san?

Mum, we're going to use the kitchen.
All right but what are you going to do with it?

Nope.
We play games together though.
Fuyumi-chan hates having to move around.
So being able to make sweets with friends is like a dream.

Smile
I'm going to make sweets with Satsuki-san and Natsuko-san.

I see.
Oh, that reminds me

Oh, my

When I lend my body to Fuyumi-chan new games will appear
Though I don't really mind.
She's even worse than Haruka

I've definitely got to come visit again sometime.
It makes me happy, too.

All right!
Let's make scones first, and while they're baking, we'll make cookies

Excited
What should we make?
If you want something we can eat right away, maybe scones or poundcake.

This is pretty tough.
Knead
Knead
If you get tired, I'll take your place.
Don't push yourself

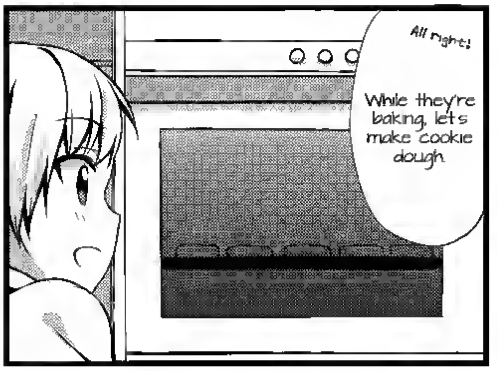
Cutting out cookies is fun, so that might be good, too
Icing them is also fun.
But they're better if you let the dough sit for a day

Sorry, please take over
Knead
Knead
Leave it to me

I want you to come again tomorrow, so I'd like to make cookies
Or something
Is that too selfish?

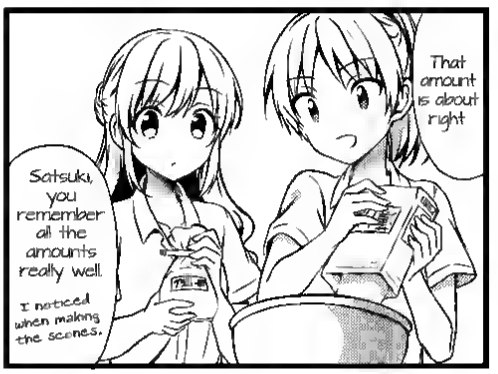
You're strong
I've always wanted one!
Let me call you Onee-sama!
Eh?!
Don't do that. It'll cause misunderstandings!
MILK

Grin
Thank you! ♥
All right!
Then we'll have to make something that we can have today, too
Being with these two really calms my heart
No one causes trouble.
Okay!

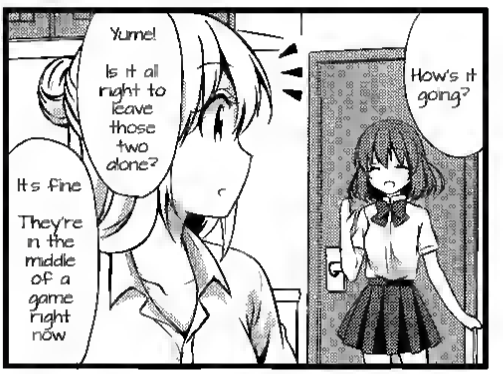


All right!
While they're baking, let's make cookie dough.

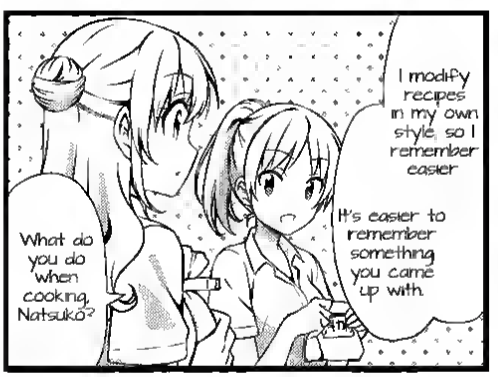
The dough is done
All that's left is to cut and bake them.



That amount is about right
Satsuki, you remember all the amounts really well.
I noticed when making the scenes.



Yume!
Is it all right to leave those two alone?
How's it going?
It's fine
They're in the middle of a game right now



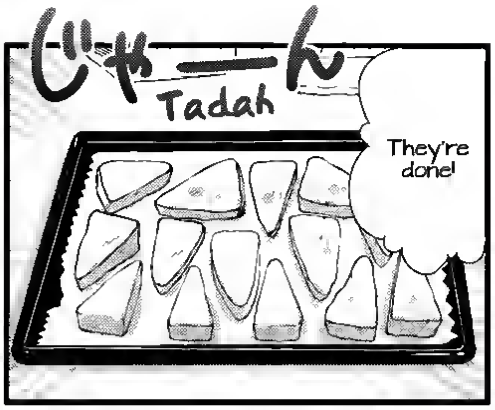
I modify recipes in my own style, so I remember easier
It's easier to remember something you came up with.
What do you do when cooking, Natsuko?

All that's left is to cut and bake them.
Come join us
Hmmm

I can't remember all that
And looking at a recipe is extra work, so I always just eye it
You do it by feeling, huh!
I thought you might.

I'll make an extra big one for myself
That'll cause problems with the baking time!

2PWIN
Shake
Shake
Fuyumi-chan, Haruko-chan, come have some.
Urgh..



じゃーん
Tadah
They're done!

I only lost because I have not been playing recently!
Point
I will go practice at home, then take you on again tomorrow!

We got too into it!
We made way too much.

Phew
The outcome isn't going to change though.

It's not a problem.

Looks like Haruko is going to come over again tomorrow, too
Sigh

Yay
Oh that's right
Clap

Get in groups of two to three people and play catch.
It's for warm-up.

It's hot today
Don't you hate having gym class on hot days?

Akiho-san, join us

Not really
You get to have a nice sweat
It's fun.

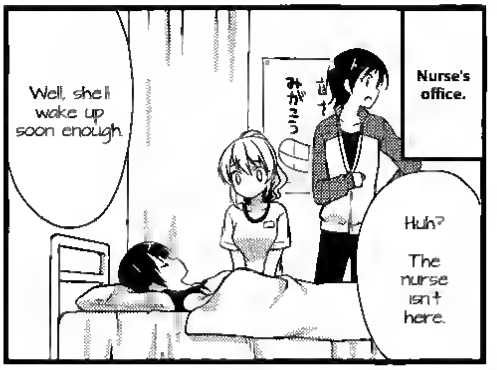
Fwsh

I hate having gym class no matter what day it is

Fuyumi-san's body sure has power...
I do a lot of exercise with it
I enjoy it.

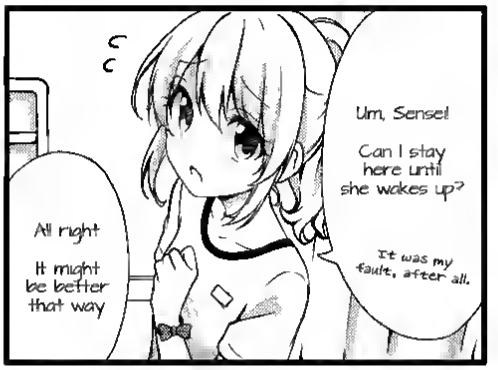
Is what Fuyumi-chan says
She's ditching again today, huh?
I figured.

I guess I can throw it a bit harder
Here I go Haruko
Okay
Boing
Ahhhhh!
Okay.
Okay.
Bounce
Bounce
Ah.



Nurse's office.
Huh?
The nurse isn't here.
Well, she'll wake up soon enough.

Shake
Haruko!
Haruko!
Shake



Um, Sensei!
Can I stay here until she wakes up?
It was my fault, after all.
All right
It might be better that way

Tremble
Tremble
What should I do?
She's not responding

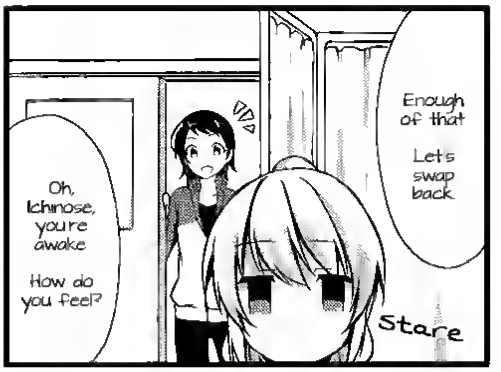
I wonder

Calm down, Nikaido
She's just knocked out
I know!

If I had done CPR, would we have swapped?
That wouldn't have been good, so I'm glad I was stopped.

I've got to do CPR!
Calm down!

Blush
It just became a normal kiss, didn't it?
But
Hmmmmm
But she's not concious so maybe we wouldn't swap?
Huh?
I wonder which it is
Kiss
ちゅ
One more time..
Huh?
Kiss
Blush
What are you doing?
We didn't swap



Oh, Ichinose, you're awake
How do you feel?
Enough of that
Let's swap back
Stare

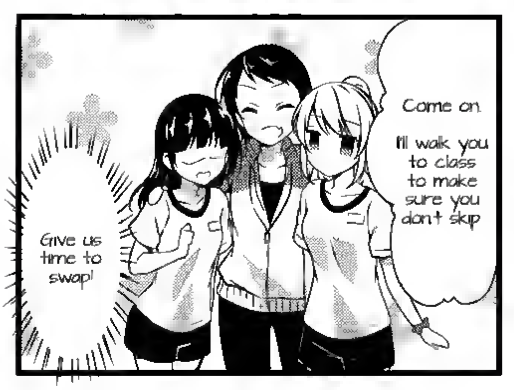
Popopo
That's not it!
I never thought I would be assaulted in my sleep by Natsuko-chan

Thank goodness
The next class is about to start, so hurry up
I am all right
I'm Ichinose now...

Y-You see. I was just experimenting
I was wondering if we could still swap if we weren't concious

You don't need to do you?
You two didn't really sweat at all...
Once we change clothes

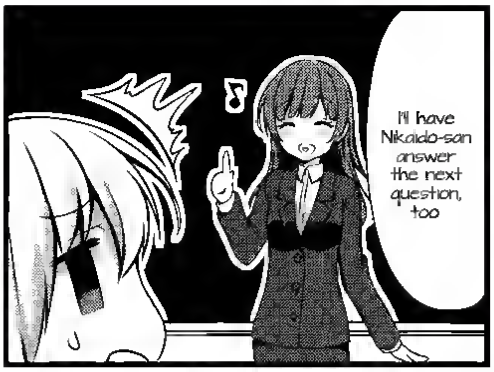
And here I thought you were just kissing me without any reason
Damn.
Oh, is that all?



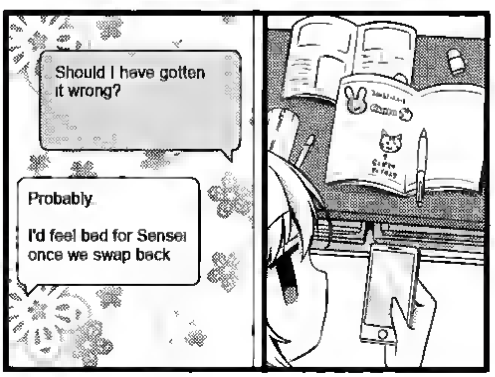
Give us time to swap!
Come on
I'll walk you to class to make sure you don't skip

Eh?
Both?
I had a reason!
Both times!

Um... 8!
Incorrect
3, then!
Too bad!
Still wrong.
And it had to be Maths class!
I'm bad at all subjects, but especially bad at maths!
4?
You're getting colder!
Ichinose-san, do you feel all right?
Yes I am fine
Well, I am injured, so I probably won't be called on
It should be fine
Ichinose-san, this isn't like you... are you sure you're okay...?
Sorry.
I'm not okay.
All right, then, let's see if you really are okay by having you answer this problem.
This problem should be simple for you.
How cruel!



Sparkle
Amazing!
Nikaido-san, this is the first time you've answered correctly!
I'm so happy!
Sparkle
It was worth it to work so hard to teach you!



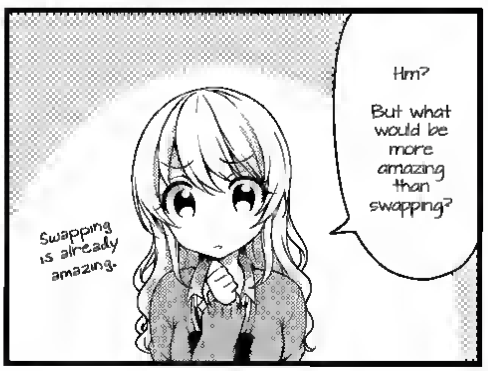
TL Note: Oppai means boobs

On the way home.
Op-π!
Op-π!
Today sure was awful...
Satsuki and Yume teased me about it.
But was that really an experiment?
Yeah!
You once tested out what would happen if we kissed twice, right?
Yeah, I did
But it all happened because you hit me with the ball.
I'm really sorry about that
There is actually one other thing I would like to test
What?
Depending on what it is I'll let you
Do you have a bump?
Are you okay?
I am fine
Probably
I wonder what would happen if we French kissed
I can't let you do that!
What are you doing with your hand?
Op-π!
Stop that already

Hmmmm
But really what would happen with a French kiss?

Maybe something more amazing than swapping would happen...

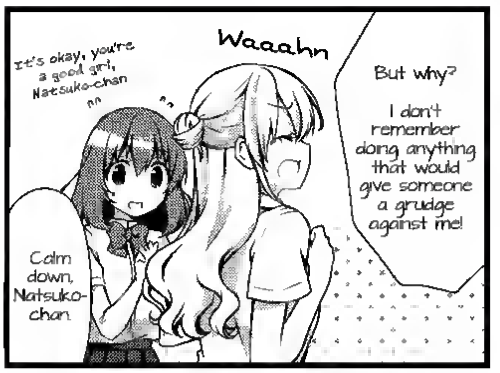
Blush
What the heck am I thinking about?!



Hm?
But what would be more amazing than swapping?
Swapping is already amazing.

すれっすれっ

A love letter?!
Oh, my!
Good morning.
Bow
Morning.
This IS an all girls school right?
It's supposed to be
Flap
Huh?
現国I

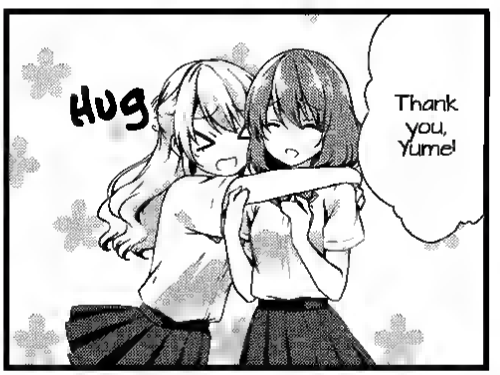


Waaahn
But why?
I don't remember doing anything that would give someone a grudge against me!
It's okay, you're a good girl, Natsuka-chan
Calm down, Natsuka-chan

Thump Thump
What's written inside?
Hang on
Stare

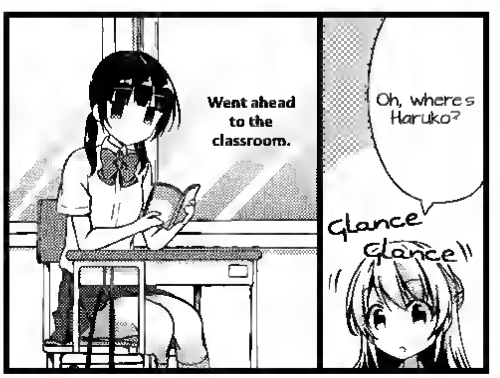
It might be a mistake
I'll go with you

Thump Thump
It says "Meet me behind the gym during lunch."
Doesn't have much love in it
Sounds more like a letter of challenge
Meet me behind the gym during lunch.

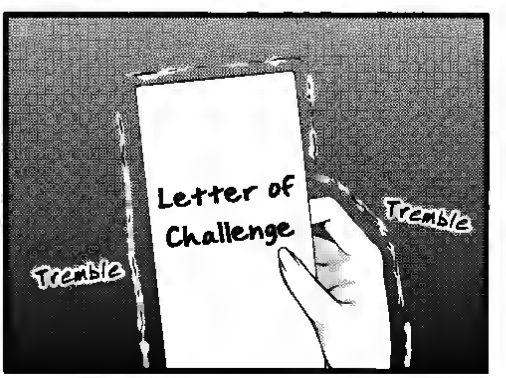


Hug
Thank you, Yume!

There's no way..



Went ahead to the classroom.
Oh, where's Haruko?
Glance Glance

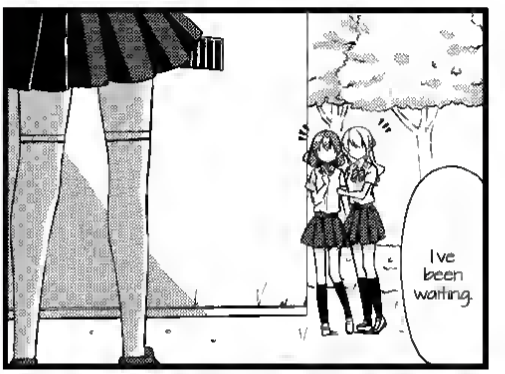


Letter of Challenge
Tremble
Tremble

Natsuko-chan, you're in a fighting stance, yourself!
Calm down.
Calm down, let's talk it out!

Tremble Tremble
Lunch.
This is what it means by behind the gym, right?
Augh. I'm really nervous
And scared!

Calmed down
Why do you have a grudge against me, anyway?
And who are you?



I've been waiting.

You already know who I am!
You sent a letter of challenge to me!
Fwsh
You should give your own name before asking someone else's!

So you brought another girl along.
Well, whatever

I just wanted to say that...
I'm Ayu, from the class next door
I'm Yume!
Ah, she's actually pretty normal.
Thank goodness.

Booom
Let's fight!
She's really ready to go!
I can't win against that!

But why would me kissing Haruko cause Ayu-san to have a grudge against me?
Natsuko-chan, Natsuko-chan

So, why do you have a grudge against me?
Yeah, yeah.

Ayu-san likes Haruko-chan.

You were kissing Ichinose Haruko, weren't you?

Yeah!
Hmph.
That's why I hate you, Haruko's lover

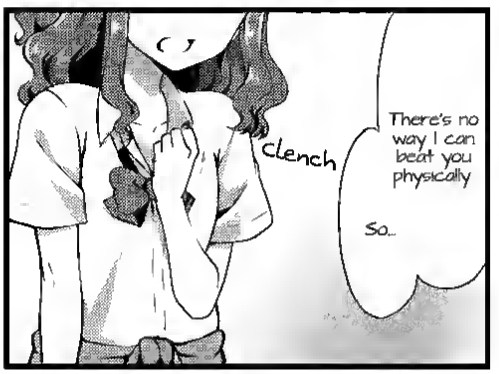
You saw that?!

Waaaah
Oh, that's right. kissing is normally something done by lovers
I can't keep doing it just because it's useful!

When did you see it?
There are so many places it could have been...
The roof?
The bathroom?
The nurse's office?
Hmmm.
You bitch.

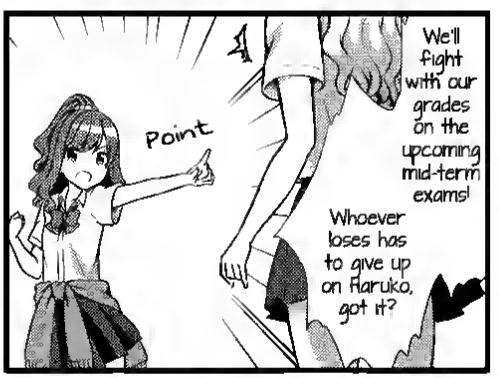
Shiver
Shiver
I think I'd be a bit strange if I were dating Haruko.
And I'm not dating her!
You look pretty flashy, but I thought you were normal since you were going out with Haruko-san, but you're really strange...

Maybe Ayu-san first met her while we were swapped.
Huh?
But we've been swapping a lot lately



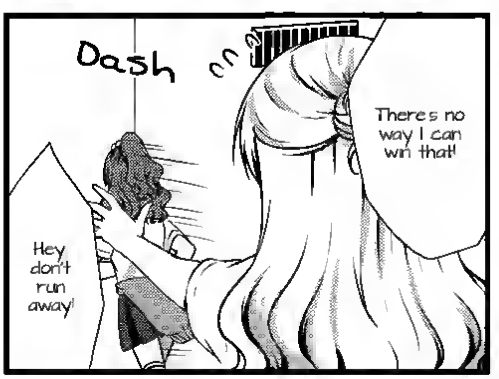
Clench
There's no way I can beat you physically
So...

Ayu-san, when did you first fall for Haruko?



Point
We'll fight with our grades on the upcoming mid-term exams!
Whoever loses has to give up on Haruko, got it?

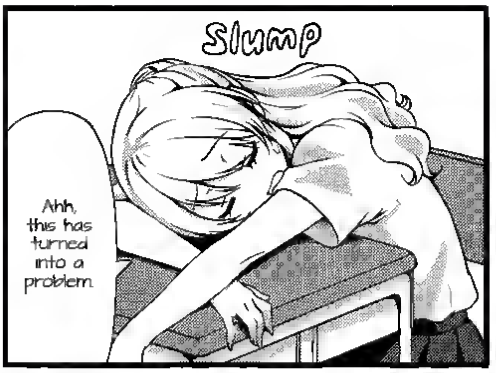
No no
Pretty recently...
So what?
You gonna claim that you've known Haruko-san for longer?



Dash
There's no way I can win that!
Hey, don't run away!

Shiver
Shiver
I was just thinking that it might actually be me you liked.
Eh?
What kind of nonsensical egocentrism is that?
She's crazy...

Did the teacher say something to you?
But it is rare for you to worry about exams



Slump
Ahh, this has turned into a problem

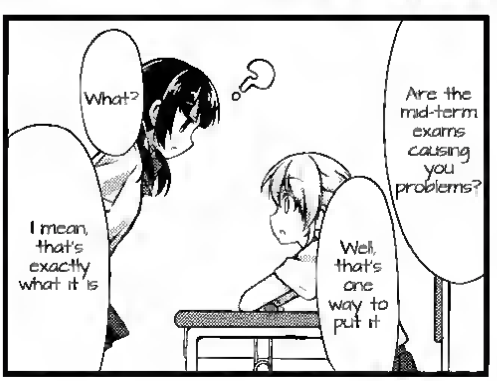
Hmm
Hmm
That's not it!
I'm not THAT stupid! I think...
Are you going to get held back a year if you get bad grades on the exams?
There is no way...

PLOP
Haruko
What is wrong?
You look droopy

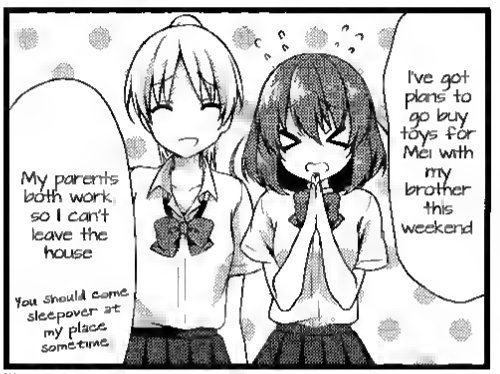
There's no way I can tell Haruko that I'm fighting for her
Wait..

I feel like I shouldn't tell her
What should I say?
Umm, well, you see...

Why am I fighting anyway?
I'm not going out with her, so it's not a problem, is it?

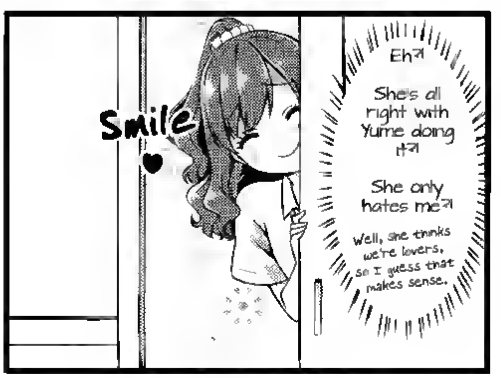


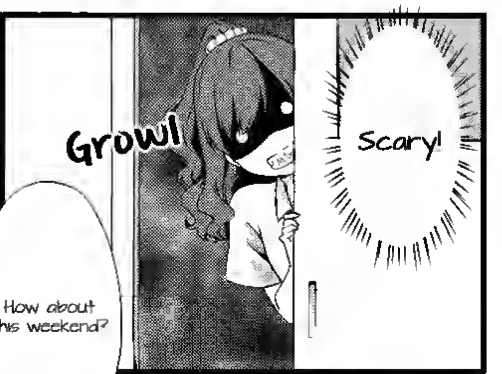
What?
I mean, that's exactly what it is
Are the mid-term exams causing you problems?
Well, that's one way to put it



I've got plans to go buy toys for Mei with my brother this weekend
My parents both work, so I can't leave the house
You should come sleepover at my place sometime

※Mei: Yume's pet cat





What is wrong?
You seem kind of sad.
Would you rather not sleepover?
!!
On the way home.
Remember it's so we can study
I am looking forward to the sleepover
What should we do?
We can re-play the game you played at Satsuki-chan's house
We can have a pillow fight
There's no reason for me to get anxious
No I'm really looking forward to it!
If I lose, I wonder if I'll no longer be able to swap with Haruko
And also...
We could play cards with my sister.
Would Haruko stay with me if we couldn't swap?
Let's do our best on the exams!
Think
Yeah!

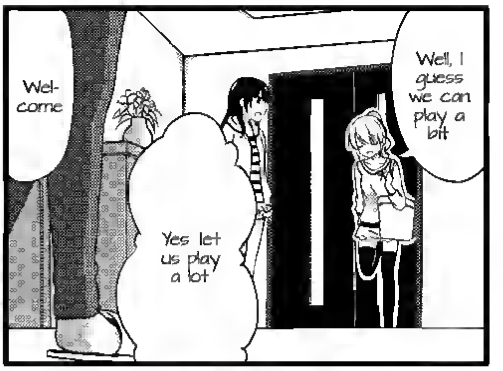
This time I'm really into it!
I did lots of pre-paration!
I'm counting on you today!

Ding-dong
Today I'm going to Haruko's house to study and sleepover.

What about the study-ing?
And I have prepared lots of games!

Klatch
I was waiting
Welcome.
I'm coming in.

All right, let's do it!



Welcome
Yes let us play a lot
Well, I guess we can play a bit

FIRST FANTASY

OPTION
Oh.

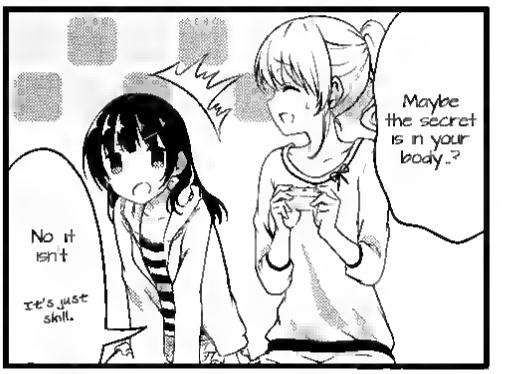
This is my mother.
Ah, thank you for having me over
So you're Natsuko?
Thank you for looking out for my daughter

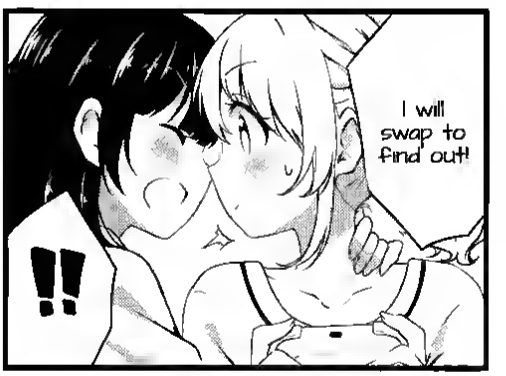
Tremble
Tremble

Thanks for having me over.
So Haruko's eyes come from her mother
You two look alike
Ufufu, you're just like Haruko said

Give me the controller.
Yay!
Here!
Okay, let's play a bit first

Right?
Very glamorous
I'm jealous.
Ahh, you two really are alike.
Totally Haruko's mom.





We haven't studied at all!

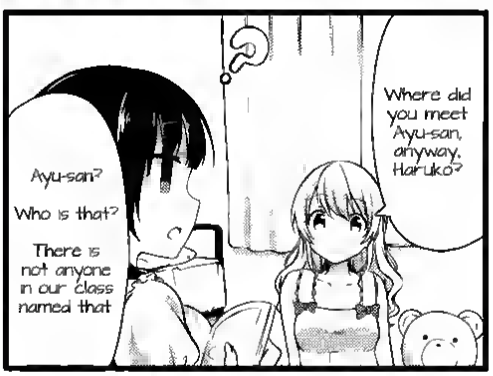
Sudden romantic talk!
So this is what a sleepover is like!
Haruko, have you ever dated anyone?
Nope
I do not even have any friends, so there is no way...

All right!
I've taken a bath and had dinner
Now we'll study!
Hm!

Have you ever fallen for someone?
Nope
I have no experience with that

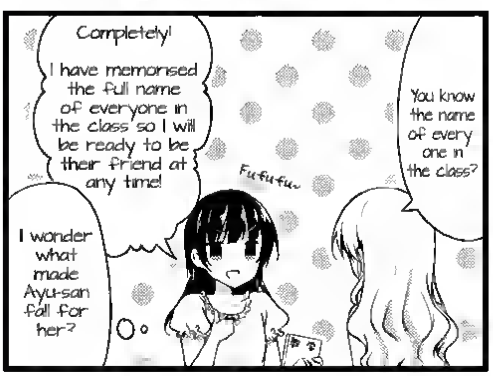
I'm not going to leave Haruko's side even if I lose to Ayu-san, but this is a good opportunity, so I've got to work hard

What about you, Natsuko-chan?
Me?!
Me neither!



Where did you meet Ayu-san, anyway, Haruko?
Ayu-san?
Who is that?
There is not anyone in our class named that

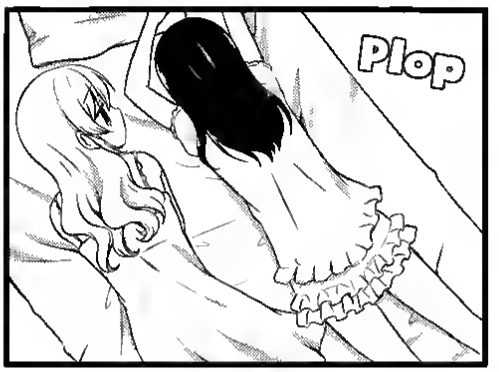
We are pretty amazing
We have never even fallen in love yet we have already kissed
Ohhh.
It's useful so we can't help it!
I'll try to refrain from doing it from now on!



Completely!
I have memorised the full name of everyone in the class so I will be ready to be their friend at any time!
You know the name of every one in the class?
Fu-fu-fu...
I wonder what made Ayu-san fall for her?

Waaah
Aaaagh, fine!
I'll relax on my stomach using your body, too!

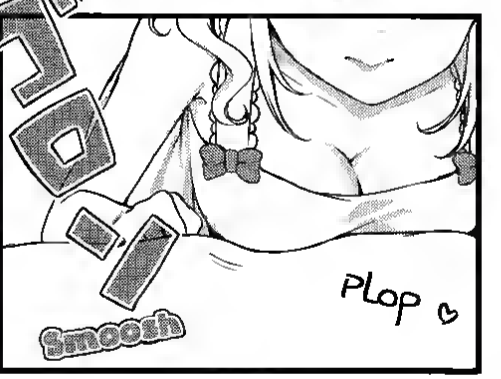
clap
I know!
There is something I want to try with your body, Natsuko-chan!



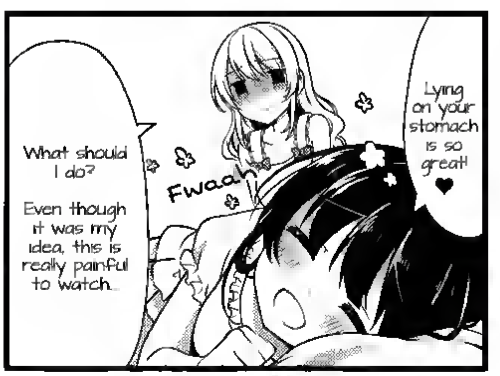
Plop

Kiss
Eh, wait!
I just said I'm going to refrain fro-
Mmmm!

What is this?
It's so comfortable



ゴロ〜
Smoosh
Plop



What should I do?
Even though it was my idea, this is really painful to watch...
Fwaah
Lying on your stomach is so great!

This is amazing!
They are pushing into me, making it difficult to lie on my stomach!

Yawn
Natsuko-chan fell asleep, so I guess I will sleep too
I'm gonna sleep like this!
Are you not going to study?
Difficult to lie down!
.....
Natsuko-chan?
Kissu
Sorry for doing this while you are asleep, but I am taking my body back.
Zzz
Zzz
Pat Pat
Does not work when she is asleep?
Zzz
Zzz
Huh?
We did not swap?
She really fell asleep
Zzz
Zzz
Is she all right not studying?

A few days later.
We get our exams back today...
I should be all right!
Yeah!
We did nothing but play games on the first day, but the next day we worked hard.
You seem confident
Thump
Thump
I'm returning the mid-terms
I did pretty good myself this time.
I look forward to the results
Nikaido-san, your rank really went up this time!
I'm really happy!
Really?
Ah, it really did!
I'm not close to last!
202
240
Glow
Plop
What is it?
Thump
Wait a minute... compared to average, this is pretty low.
Will I be okay?
Pyaaaah
She's pretty pure!
See you behind the gym after school!

So now you have to give up on Haruko
I can't!

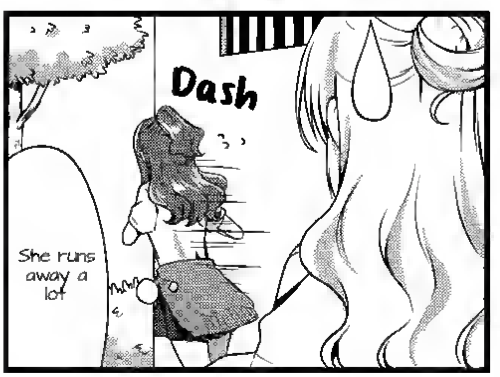
Thump
Thump
What should I do?
I can't win with a rank like this
I've been waiting

My feelings can't be broken by something like exam results!
You're the one who chose it

What rank were you?
I thought you would run away so you wouldn't have to leave Haruko-san
202nd
Not really

Remember this!
I'll do whatever it takes to take Haruko-san from you!

Eh?
Why so high?
What rank were you Ayu-san?
This is bad...
238th



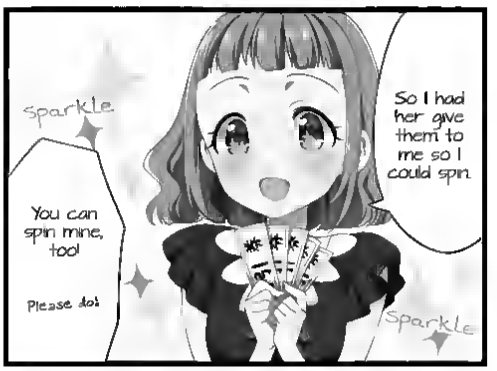
Dash
She runs away a lot

Aaaaugh
Why did you try to fight with exams, then?!
I'd heard you were always last place...!

Ungh
I see
There's so much I want to do I can't decide
Wow
So this is an actual amusement park!
Boom
First, we gotta get ears!
You really like that kind of stuff!
Excited
What should we ride?
We came here for you, Akiho-san, so you can decide

Akiho-san, do you have a bunch of raffle tickets too?
I got some when I bought food for dinner.
Yeah.
Or rather, Fuyumi-chan did

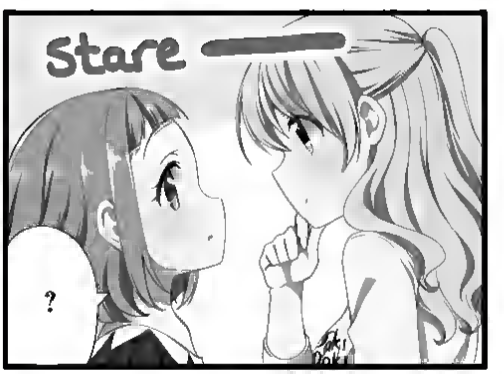
Neighbourhood Association Raffle
How it all started.
That's...
Rattle Rattle



So I had her give them to me so I could spin.
Sparkle
You can spin mine, too!
Please do!
Sparkle

Ah, hello

Which prize do you want?
The 4th place frying pan set

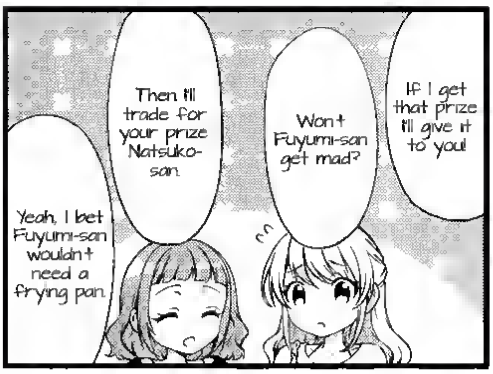


Stare
?

I really want the frying pan set
Not the top prize huh?
How modest
The type of person you'd want for a wife
How family-minded!
I want you for a wife even more now!

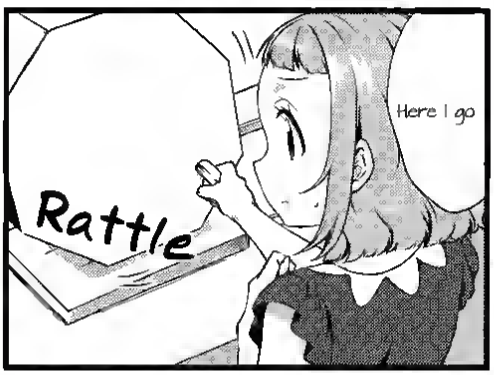
Akiho-san!
You figured out by my eyes huh?
You're right.

Rattle
Rattle
Doki
Doki
All right. I'll make sure to get something besides tissues!

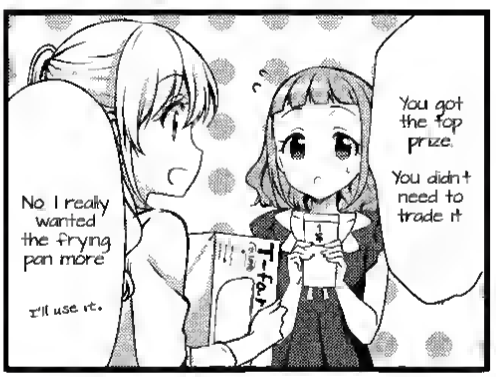


If I get that prize I'll give it to you!
Won't Fuyumi-san get mad?
Then I'll trade for your prize Natsuko-san.
Yeah, I bet Fuyumi-san wouldn't need a frying pan.

Ding
Ding
Congratulations!
Top prize a pair of tickets to the amusement park!



Here I go
Rattle

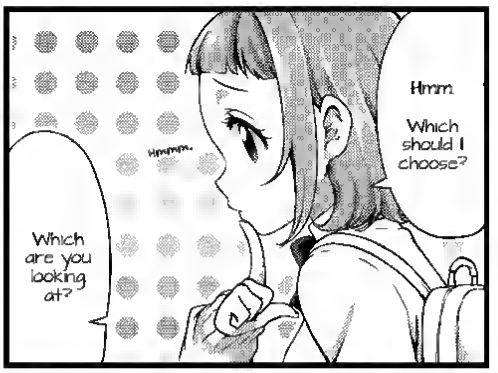


You got the top prize.
You didn't need to trade it
No I really wanted the frying pan more
I'll use it.

Fwip
Ding
Ding
Congratulations fourth prize!

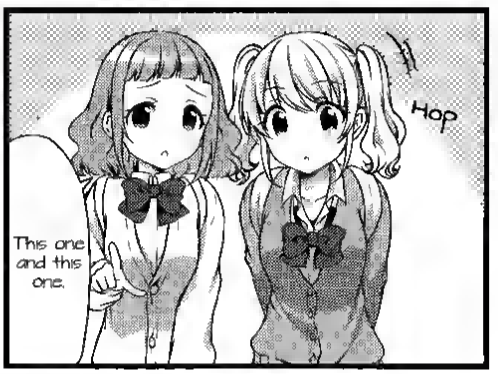
Well... then...
Would you go with me?

Wow!
Thanks!
What if I end up getting tissues?
It's fine she'll never know
She can be pretty scheming.
Doki
Doki

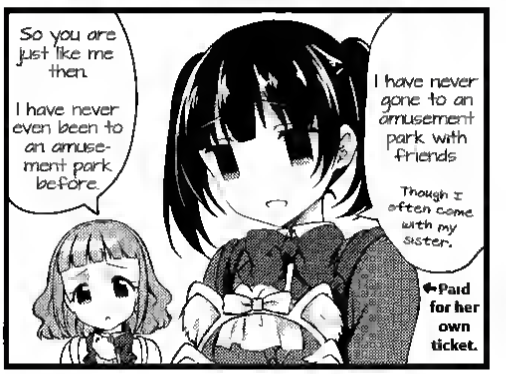


Hmm.
Which should I choose?
Hmmm.
Which are you looking at?

Good idea.
First we should get ears
How about these?
I like these, too.
Yes!
I have always wanted ears!
Why are you getting worked up too, Haruko?



Hop
This one and this one.

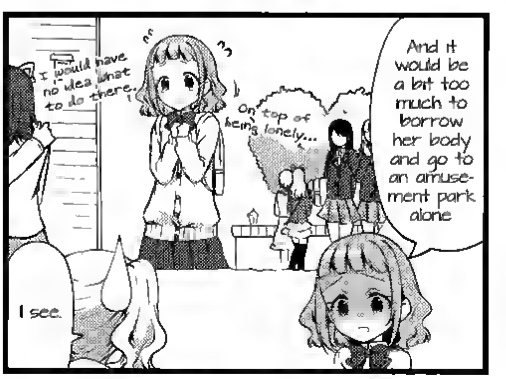


I have never gone to an amusement park with friends
Though I often come with my sister.
Paid for her own ticket.
So you are just like me then.
I have never even been to an amusement park before.

This one is brown, so it would go with this body...
...but this white one would be better for my normal body

You haven't come with Akiho-san?
No
Fuyumi-chan's body is the only one that can go outside freely

I know!
I will buy both of them and wear the brown one for now
And then I will put the white ones on myself when I get home!
That's something nobody else would be able to worry about

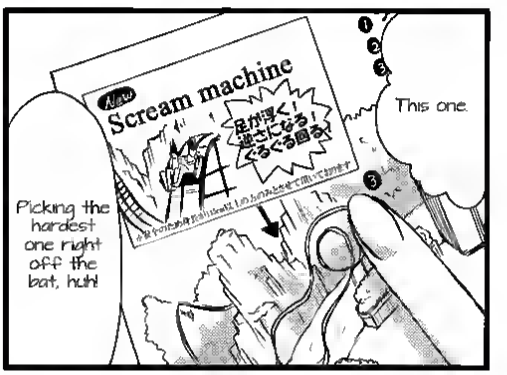


And it would be a bit too much to borrow her body and go to an amusement park alone
On top of being lonely...
I would have no idea what to do there.
I see.

I would have been able to ride it in my normal body..
Swapping is kinda inconvenient

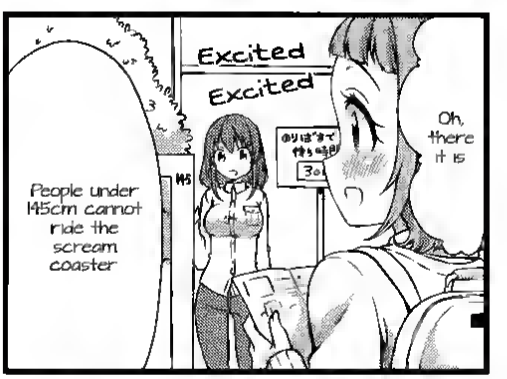
Excited
Akiho-san, what do you want to ride most?
The lines'll be pretty long, so let's start with the one you want to go on most.

Want to use my body?
Though I don't know if we'll be able to swap
Good idea.



New
Scream machine
This one.
Picking the hardest one right off the bat, huh!

Chatter
Chatter
Let's kiss!
Squeeze

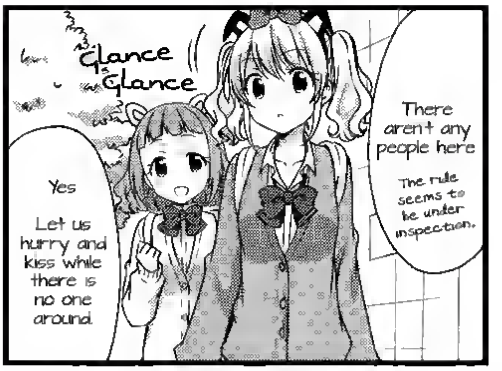


Excited
Excited
People under 145cm cannot ride the scream coaster
Oh, there it is

Blush
Whisper
Whisper
Let's go somewhere else!

I can ride.
←152cm
←144cm
MAP

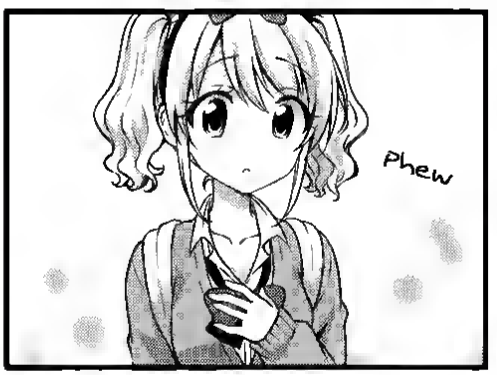
It's not as if I do not want to kiss
And it is for my sake, so I do not think Fuyumi-chan would mind.
But..



Glance
Glance
There aren't any people here
The rule seems to be under inspection.
Yes
Let us hurry and kiss while there is no one around.

If we do end up swapping, I feel like there would be something wrong about that

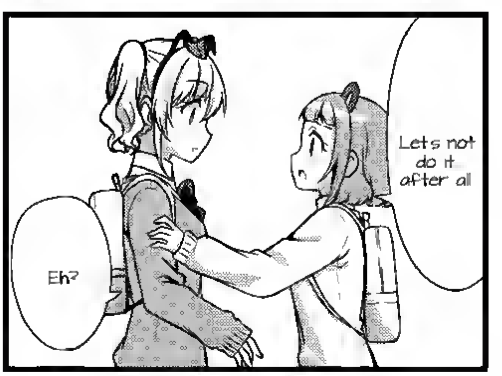
Is it really okay?
It's Fuyumi-san's body
And if we don't swap, it'll just be a normal kiss



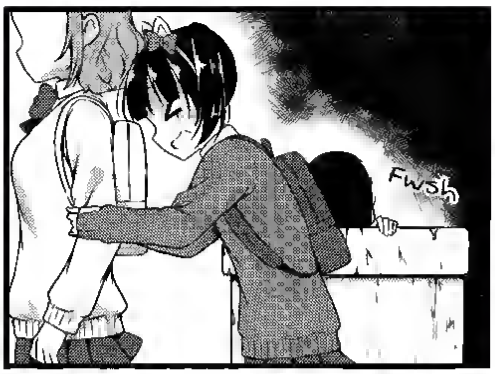
Phew

And also..
Glance
Is Haruko okay with it?

Well then, give up on that one and let us head for the haunted house!
The one here is supposed to be really scary.
She changes pace really fast



Let's not do it after all
Eh?



Fwsh

Super Scary Haunted House
This also seems like a pretty hard attraction, in a completely different way...

Flop
Gyaaaah!

I am fine with them, so there will not be any problem!
I love horror games!
Akiho-san, you've never been to a haunted house, will you be okay?
I am not sure...
Squeeze

Squish

Haruko, you said you'd be okay!
Gyaaaah!
But it is scarier than I thought it would be!

Ah, it's a girl.
You suddenly got quiet, Haruko are you okay?!
You still there?!

Squeeze
It is like we have entered a different world
How fun.
I'm glad Akiho-san is here

Finding another group that swaps has made you able to do even more things, Akiho
I'm glad.
I'm home
Welcome back
Thanks for lending me your body today
CHU
You always only think of me, Fuyumi-chan
It looks good!
Did you have fun?
Yeah, lots
Blush
That's not true
I was playing games all day today
I was able to get the best equipment.
Oh, look at this
What?
Fu-fu~
I'll buy a new game
It was the same the first time we swapped
I took lots of pictures!
I get mixed feelings seeing pictures of you playing around in my body
It's strange.

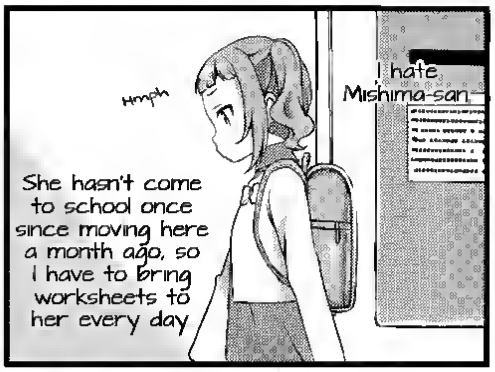
Oh, you're studying?
I'll cut down on the time I get to spend at my desk!

Shikata-san!
Could you bring these worksheets to Mishima-san again today?

Don't just play games
You need to study too
You've got the worst grades in class 6-2.
I'll cut down on my gaming time..

You pretty openly look like you don't want to do it

Thank you for bringing these every day
No it's okay
Though I really don't like it



I hate Mishima-san
Hmph
She hasn't come to school once since moving here a month ago, so I have to bring worksheets to her every day

My daughter's feeling pretty good today
Would you like to meet her?
She said she wants to thank you

It's Shikata
I've brought the worksheets
Oh, Fuyumi-chan
Thank you
I'll open the door for you.

All right
Actually curious what kind of girl she is

Here they are
Thank you
If you've got some time, I've got a cake
Want some?

Can't win
Oh!
What if she's scary?

Simple

I don't think I'll ever be kissed like this so I think it's wonderful

That's not true.
You're a nice person, so I'm sure you'll be popular.

What should we do?
I feel bad for Fuyumi-chan!
Calm down, Akiho

I don't like exercise, either, so move around a bunch!

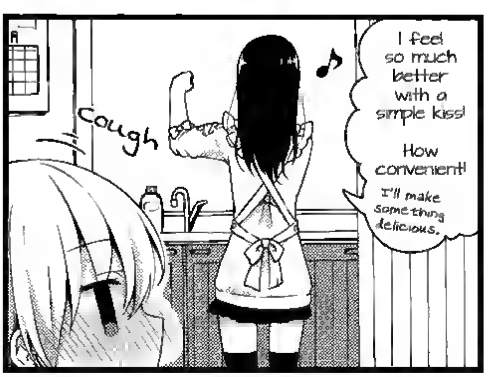
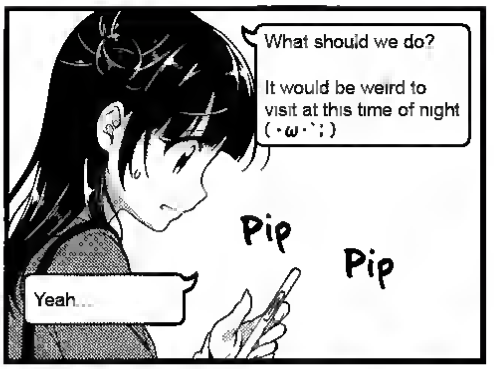
I don't have much of an appetite right now so I don't think you could eat in it

I stay up all night finishing RPGs
Do not worry about it
I will not get bored at all!
Gu
Well then, we'll both be fine
That's a nice smile.

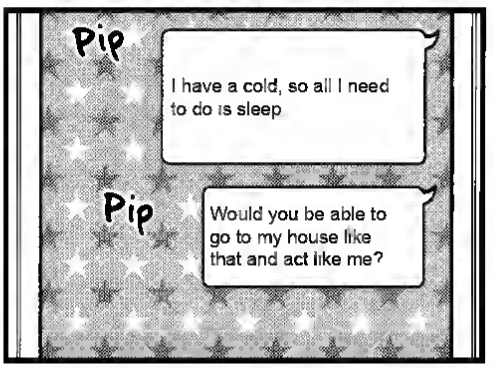


Cough
I feel so much better with a simple kiss!
How convenient!
I'll make something delicious.



What should we do?
It would be weird to visit at this time of night (・ω・`;)
Pip
Pip
Yeah....

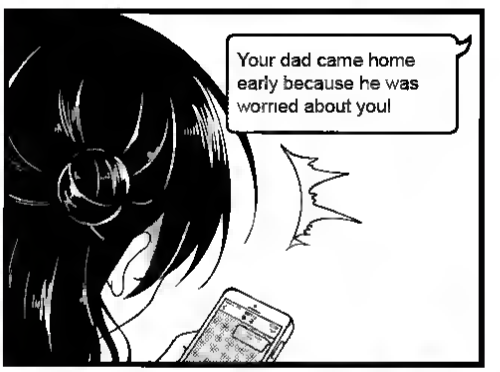
Z HOLE
Wow~
Ah, that was amazing.



Pip
I have a cold, so all I need to do is sleep
Pip
Would you be able to go to my house like that and act like me?

I'll contact Haruko and tell her I'm on my way home.
Wait, I've got a message from Haruko

Pip
No way! They'll definitely figure it out!
Pip
My family is not very sharp, so you will be fine
You can do it!



Your dad came home early because he was worried about you!

But it's my own fault this happened, so I've got to do it.
There's no way!

But thanks, Dad...
Oh, no!

Did you have dinner?
Are you hungry?
I am fine!
I wonder if Haruko uses polite speech with her family, too

Onee-chan welcome back!
You're wearing different clothes than you left with.
I am home!
I borrowed them.
Hmmm

Ding-dong
Urgh...
I'm so nervous

They're pretty cute!
I want to try them on!
Her sister is so cute!
By the way

Klatch
Welcome back.
Did you have fun?
Jump

Why are you speaking so polite?
Oh, no!
Haruko doesn't use polite speech with her family!

I...
I am home.
It feels so wrong saying that in someone else's house
I feel so bad about this!

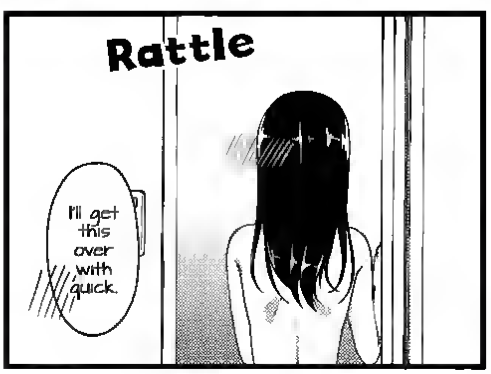
Thump
I feel so bad taking a bath in someone else's body..
Thump
But we're both girls.
And Haruko's always grabbing my breasts.
Thump

Now I've done it!
But... it's kind of different having a mother and sibling.
It makes me kind of happy
If I had them, maybe they'd be like this

You must be tired, being out so late.
You'd better get to sleep early tonight.
You've got school tomorrow.
Yeah. I will.

Waaaah
This is so embarrassing and I feel so bad about it!

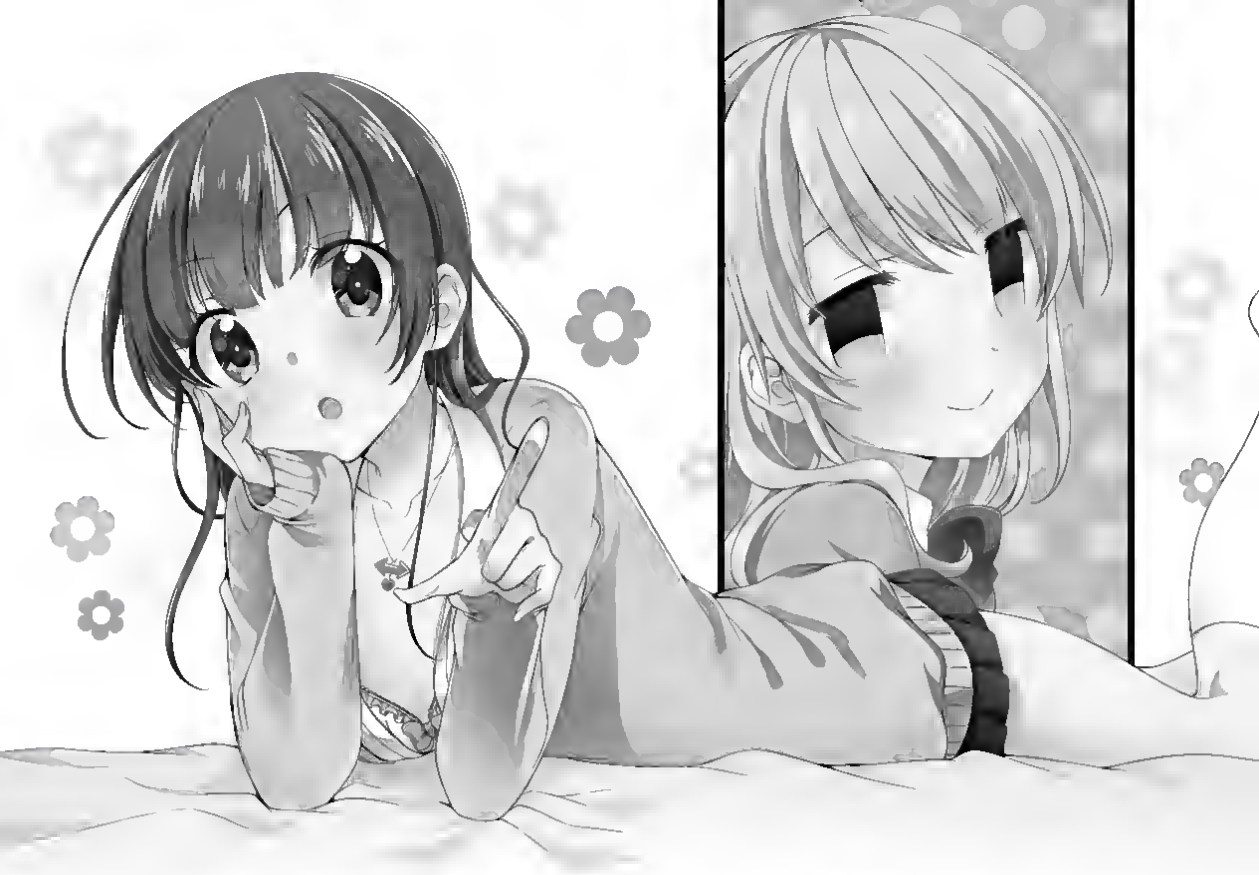
But be sure to brush your teeth and take a BATH first.
You seem to have make-up on.
You'd better remove that, too.



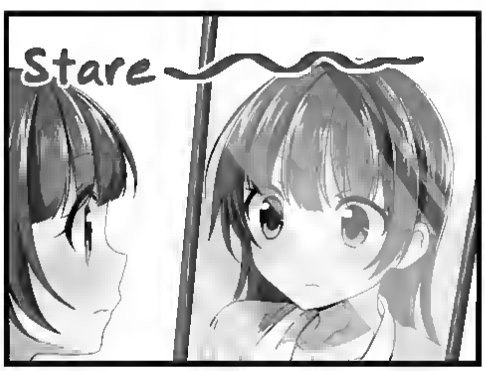
Rattle
I'll get this over with quick.

B
Bath?!

Phew——
Roll
Scrub Scrub
I feel bad about this, so I'll keep my eyes tightly shut
That bath wore me out more than the concert
Next is my body—
Where's the towel..
Roll
Which one's Haruko's?!
She's got a sister and mother, so there are three cute ones!
Zzzz
It really does feel nice lying on your stomach
Fine!
I'll use my hands!



Well, it'll be fine once I get to school
There



Stare

I ended up doing my hair like normal!
Though I guess it's not a problem.

It feels strange going to school in Haruko's body
Though it's totally normal swapping with her at school

Ah, a message from Haruko
"I stayed up all night playing games and ended up oversleeping.
Sorry"
Good she seems to be doing well

Morning
You're early
Haruko-chan, good morning.
Huh?

You should take care of yourself today and rest
I'll go swap back with you after school
Bip
Bip

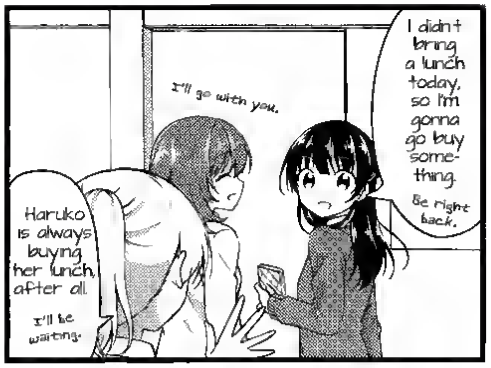
Zoom
You're... Natsuko-chan right?
Yeah.
A lot happened

You'll be spending today in Haruko's body without Haruko here
Will you be okay?
Fwsh
We're always swapping, so I'll be fine.

I messaged Haruko as soon as I woke up, but she hasn't replied
Oh.
I'm worried she might still be sick.

I just pray there won't be any quizzes
I'll ruin Haruko's grades
Oh...

It's really strange worrying about my own body
I'm right here, after all



I didn't bring a lunch today, so I'm gonna go buy something.
Be right back.
I'll go with you.
Haruko is always buying her lunch after all.
I'll be waiting.

Ding
Dong
Ding
Dong
The morning classes are over!

This looks good
This is the first time I've bought lunch here.
They've got a lot of stuff.

Why are you so worn out?
I'm glad we didn't have any quizzes
But I'm really worn out

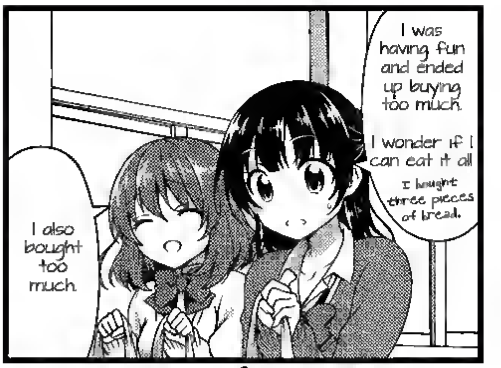
Ah, this looks good.
But Haruko doesn't like chestnuts so I guess not

Good work.
Rub Rub
I worked much harder than normal taking notes, so I could share them with Haruko
How nice of you.

I should buy something Haruko would like instead of something I want
I'll take this banana one.
There.

Her grades might go up if she always went to class swapped.

Though her conciousness is right here.
Natsuko-chan stayed home today



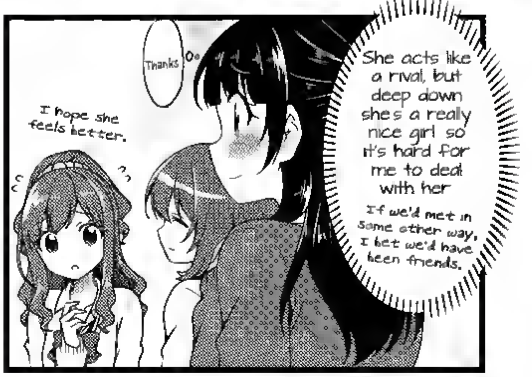
I was having fun and ended up buying too much.
I wonder if I can eat it all
I bought three pieces of bread.
I also bought too much.

Is she not well?
Yeah, she caught a cold last week.
But she's okay now.

Ah Ayu-san
Haruko-san!
And her friend.

I see...
She's genuinely worried

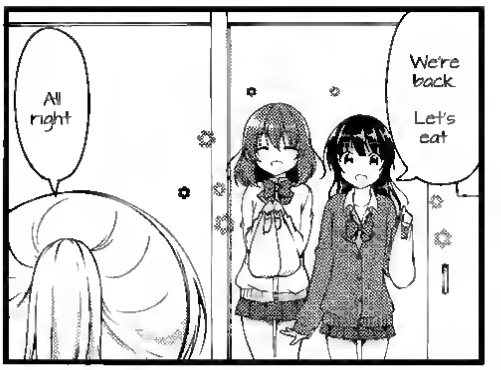
Sparkle
Bow
That other one isn't with you today though.



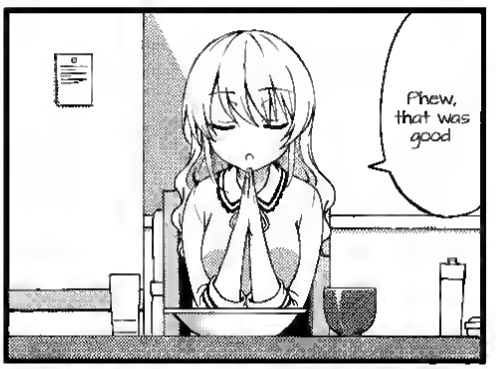
Thanks!
I hope she feels better.
She acts like a rival, but deep down she's a really nice girl so it's hard for me to deal with her
If we'd met in some other way, I bet we'd have been friends.

wah
I feel a bit sad that she's looking at me like this is a big chance.
Though she sees me as a rival, so there's nothing I can do.

Munch
Munch

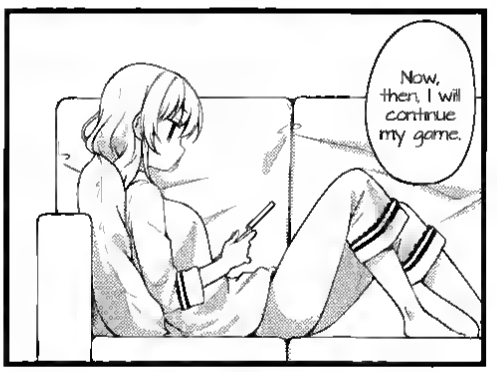


All right
We're back
Let's eat



Phew, that was good

By the way, what's Haruko doing for lunch?
Oh, no!
I hadn't thought of that



Now, then, I will continue my game.

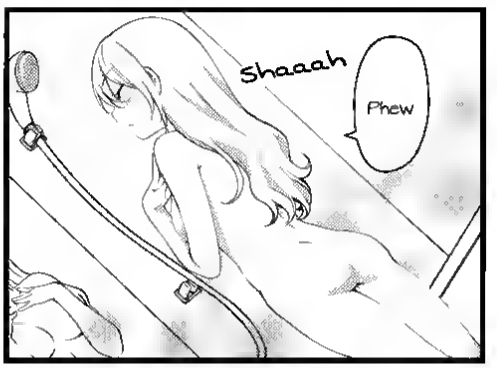
I'll send a message.
There should be some easy-to-make stuff in the fridge though.
And instant ramen.
Bip
Bip

So happy
Everyone else is at school, but I am lying around playing games
This is amazing!

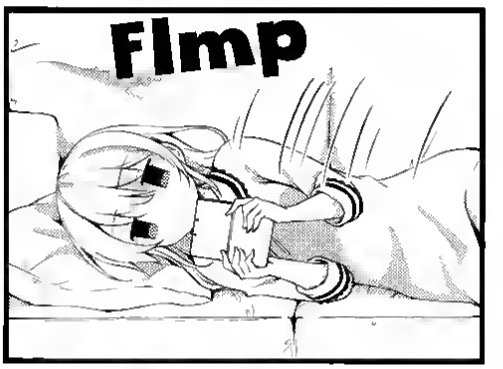
Your father made something and left it for me!
You are both good cooks ♡
phew
phew

There
That is right, I did not shower yesterday so I am all sweaty
I will take a shower

I thought I would not be able to relax in someone else's home, even Natsuko-chan's



Shaaah
Phew

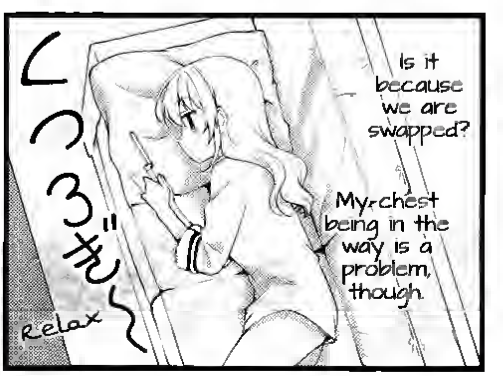


Flmp

I have not seen that soap before
Pretty stylish, just what I would expect of Natsuko-chan

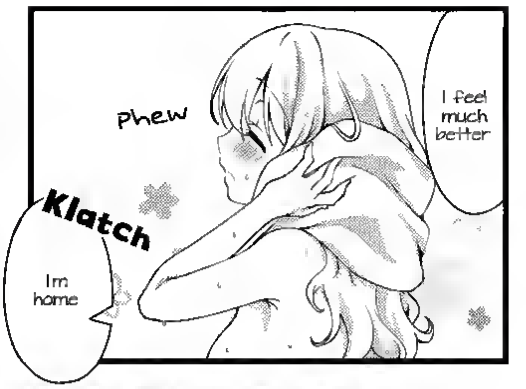
But this is really relaxing

Sniff
Sniff
But I feel like I have smelled it before
Is it because we are swapped?
Smells nice ♡



Is it because we are swapped?
My chest being in the way is a problem, though
Relax

Anyway let's swap back.
Okay



I feel much better
Phew
Klatch
I'm home

Oh, can I borrow your shower?
Eh?
You just took one
Clap

Ah, Natsuko-chan
Welcome back.
Plop
!!

I did that in your body
I want to take one in mine, too

Yes, I was sweaty
Is there something wrong with that?
I just took a shower.
Y-You were in the bath?

I didn't do anything weird with your body, Haruko!
I am not doubting you on that
What do you even mean by weird things?

Ahhhhh!
When she acts so unconcerned about it, I feel even more embarrassed that I was so embarrassed about it yesterday!

Thank you.
I am done now
All right

Your body soap smelled really nice, so I wanted to try it on myself, too
I am sorry if I was confusing.

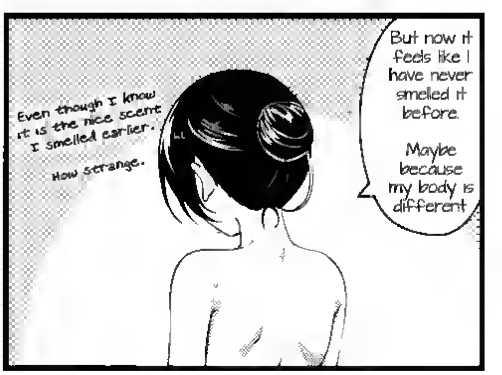
I had an extra one lying around.
You can have it
It's a thanks for helping me out
Body
Super wash

Wooh
Phew
Oh, that's what you meant
Sure thing.
Take your time.
I'll get you a towel.
Thank you.

Oh, no, it looks really expensive
I could not take that
I was just having fun with games the whole time.
No no, I feel bad.
Please take it

Ahhh~ ♡
This really does smell nice.

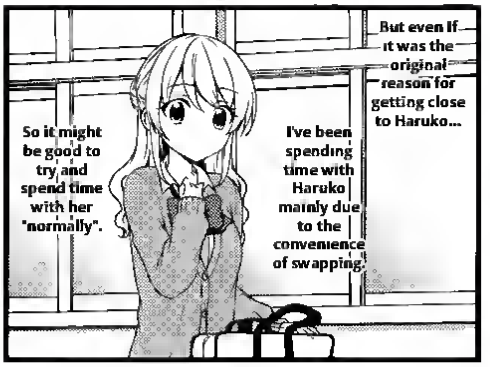
I would actually like it if you caught more colds and swapped with me.
You had that much fun, huh.
I don't feel as bad anymore.



But now it feels like I have never smelled it before.
Maybe because my body is different
Even though I know it is the nice scent I smelled earlier.
How strange.

Haruko!
Let me borrow your body
Nod
Smooch
Huh?!
We didn't swap...?
Oh, no!
That means we've just had a normal kiss!

Morning!
Good morning.
Fwump
Ah!
I had a dream this morning that we couldn't swap anymore
After kissing, I was still in my own body
Huh
Oh, it was just a dream...
Thank goodness.
Phew
Smooch
Smooch
!!
It was embarrassing for it to be just a normal kiss
Sigh
If I do that we do not swap when kissing
Like we did on the Ferris wheel.
That's true, but you don't need to do it!
Occasionally remembers she wants to avoid kissing
Wait that's not the issue.
There are so many other issues
Like not being able to swap and the kissing and such.



But even if it was the original reason for getting close to Haruko...
I've been spending time with Haruko mainly due to the convenience of swapping.
So it might be good to try and spend time with her "normally".

So that's what I had a dream about
Hmm.

I've been using her for that convenience.
Why not try spending a week without swapping?

You just had a normal kiss huh?
Yume-san, please don't mention that!

Ehhh, I cannot do that on such sudden notice!

But this is a good opportunity
Why not try spending a week without swapping?
It's Monday today, so do it until Friday!
It's normal for everyone else

I bought this new chestnut cream bread today
Haruko is the same huh?
She's using me.

Shake Shake
I'm already unsure I'll be able to resist
I wonder if I can do it...

Oh, first period is about to start
Starting now, no swapping for a week, okay?
Squeeze
Okay
I will do my best

Chestnut cream
Why not?
It's just one week.
Let's try it
Haruko-chan

I need to work hard, too
Though, a week without swapping should be really easy

For one week, let's just be normal friends, and not think about swapping

45 min
We're going to have a pop quiz today!
Have you all been doing daily reviews?

Normal friends

Shake Shake
Pass them to the back
I already want to swap...
What timing...

I have not had any friends before so I do not really know what normal is like
Are Yume-chan and Satsuki-chan normal friends of mine?

You can have my lunch in exchange
You'll get hungry.
Thank you

Ahh, it's finally lunch!

Natsuko-chan's cooking is always so delicious
It clears up my gloom over not being able to eat the chestnut cream bread
Yeah, yeah, yeah
Good to hear
Go ahead and eat it all

Slump
Why is it that the day we decide not to swap, there are pop quizzes every period through fourth
That's going to make me want to swap

Oh, this is really good

Fwsh
Although tests like that are really the only time I'd want to swap during school

I want to try that after all
Once the time is up, please help me do so
Sorry
I didn't mean to tease you
But it really is good
Couldn't help it---

Doesn't like chestnut
I almost bought that at the school store the other day
I really want to swap right now
Thanks...
You can have it.

What is wrong, Natsuko-chan?
Thinking about some-thing?
Hmmm.
I was just thinking how there's really no problem with not being able to swap

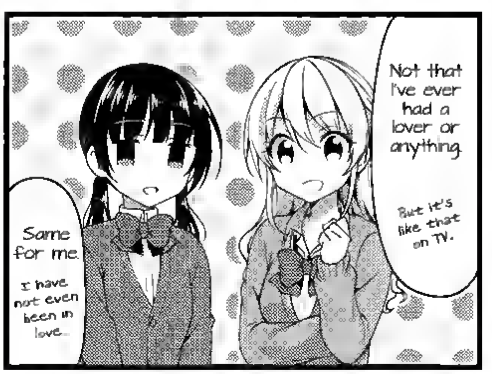
Siiiigh
Thank goodness there were no quizzes in the afternoon classes
Though even if there had been, I'd have done them myself.
I wonder how things will go tomorrow

Although I feel a tiny bit of loss over not being able to do things we used to do

Tuesday.

Does it feel like breaking up with a lover?
Yeah something like that!

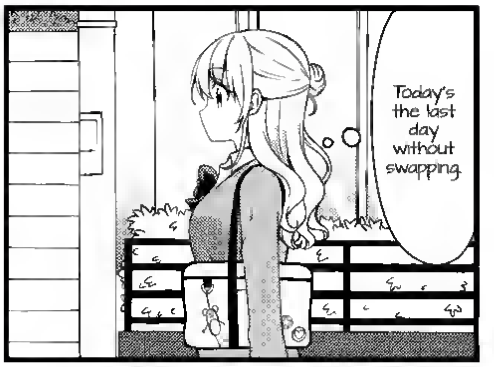
Wednes-day.



Not that I've ever had a lover or anything.
But it's like that on TV.
Same for me.
I have not even been in love...

Thurs-day.
Huh?
Not being able to swap isn't really causing any problems at all is it?

I was just thinking that maybe we don't need to swap anymore.
Ohhh.
Eh?!
Why is that?



Today's the last day without swapping.

Hmm.
I'm not sure I can explain.
But other people can't normally do it, right?

Thinking back, we've swapped more often because of things I wanted
If I held back, we might not need to swap anymore

Why not take advantage of what you have available?
Being able to swap with a kiss is useful
And simple.

Good morning, Natsukō-chan!
Morning.
You look really happy
What's up?

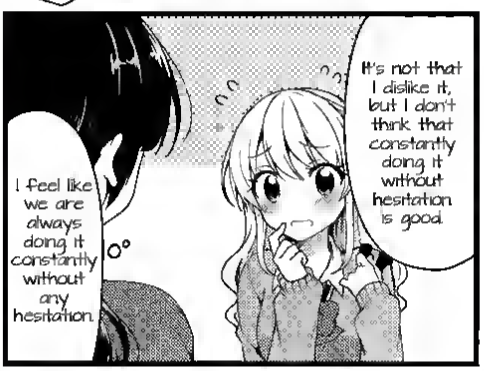
That's right
I need to be most worried about how much we're kissing
I keep forgetting.

A patissier like is having a chestnut fair starting tomorrow!
Our no-swapping ends tomorrow so it is safe to go!
You're ready to swap as soon as the time is up!
Squeeze

You see, one time I got really uneasy that you would not be my friend anymore if we stopped being able to swap
Though now I know that is not the case.

Natsuko-chan, do you not like kissing me?
Ehhhh?

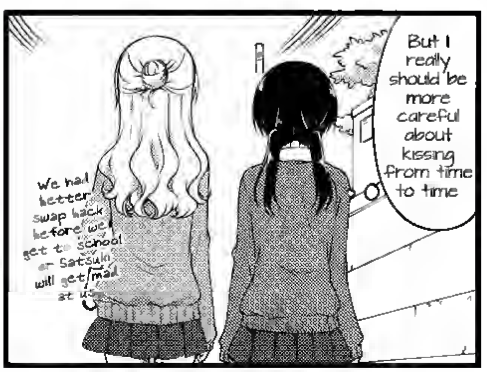
We'll still be friends if we stop being able to swap,
but our relationship is based on swapping.



It's not that I dislike it, but I don't think that constantly doing it without hesitation is good.
I feel like we are always doing it constantly without any hesitation.

It's useful after all, so let's take advantage of it!
You really are greedy Natsuko-chan.

Smooch
!?

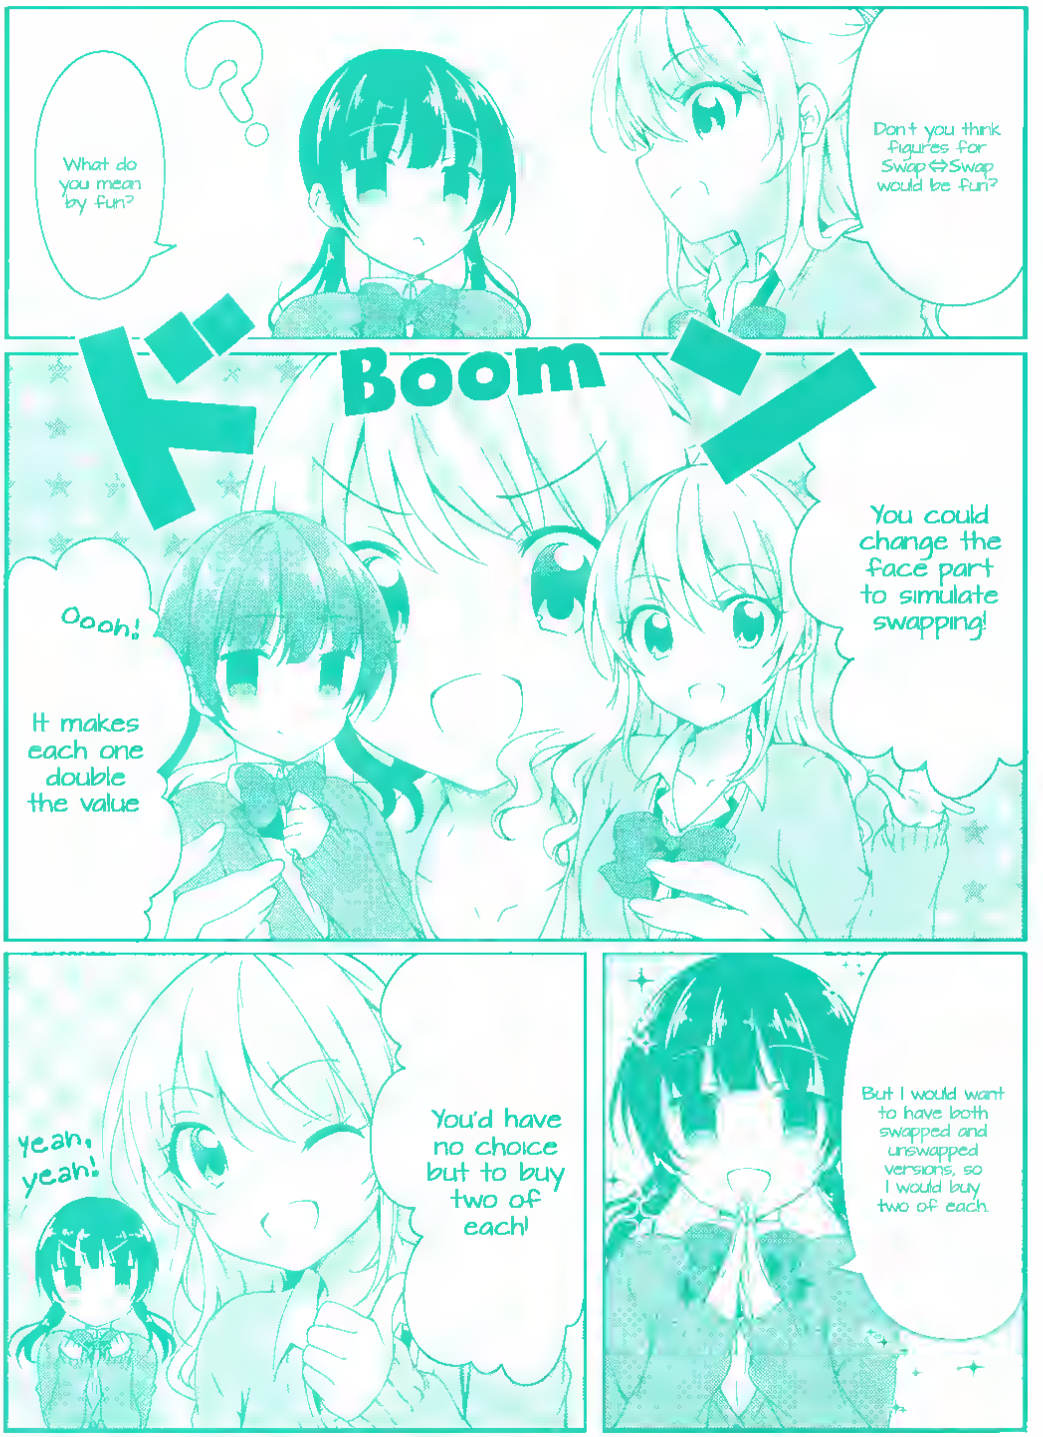


But I really should be more careful about kissing from time to time
We had better swap back before we get to school or Satsuki will get mad at us.

If you do not dislike it, what is wrong with it?
Smile

TL Note: Carat is the magazine it runs in.

I want figures with swappable faces.



What do you mean by fun?
Don't you think figures for Swap⇔Swap would be fun?
ドBoomン
Oooh!
It makes each one double the value
You could change the face part to simulate swapping!
Yeah, yeah!
You'd have no choice but to buy two of each!
But I would want to have both swapped and unswapped versions, so I would buy two of each.

An idea I came up with recently.

Haruko & Natsuko figure on sale!

With swappable face parts!

Would be nice.
